## Appendix 1: PCMH Scoring and Shared Criteria

### Scoring Summary

To achieve recognition under PCMH, practices must: 1) meet all core criteria in the program and 2) earn 25 elective credits in elective criteria across 5 of 6 concepts.

The tables below identify the scoring designation (Core or Elective) and shows whether the criteria require site-specific evidence (column 3) and/or requires specialty-specific evidence (column 4). An organization can share evidence if it has at least two practice sites that share the same system and processes.
